## OUR FACILITY

Our campus has a state-of-the-art, dedicated magnet building equipped with advanced technology. iPads and Chromebooks are used with Google Classroom to complete lessons and create digital media products. We have the latest in video broadcasting and screen printing equipment available to our students, providing them with advanced college and career readiness skills. Our campus features a full size indoor multi-purpose gymnasium, digital graphic printing, robotics room, production studio, radio studio, several outdoor basketball courts, a football field, and an extensive full service library.
